

Physical Development

We will be listening to different music and matching physical movements to what we hear. We will make patterns of movements by following instructions from an adult.

When we are playing in the early years garden we will be using large muscle movements to draw and make marks with chalk and other resources.

Understanding the World

We will be looking at pictures of our houses to notice and name their features.

When we are baking some gingerbread men we will be noticing the changes that are happening to the ingredients. We will be using our senses and talking about the smell of the ingredients and also how the gingerbread men taste.

Communication and Language

We will be encouraged to hold conversations about our half term experiences, pancake day and Mothering Sunday.

During our walk to Tesco, to buy our ingredients, we will develop our vocabulary by talking about the local area.

TESCO

Seals Our Learning Journey

Spring 2

Literacy

We will be retelling the story 'The Gingerbread Man' and using actions to help us to remember the sequence of events. We will talk about the characters in the story and make masks and puppets of them.

We will be matching rhyming words and play some rhyming games.

Personal, Social and Emotional

We will be finding out how we can make healthy choices about foods and drinks.

We will continue to brush our teeth every day.

We will be learning how to solve conflict when it arises and begin to develop our understanding about how others might be feeling.

Mathematics

We will be talking about common 2D shapes and using words like straight, curved and corners to describe them.

We will be copying, continuing and making repeating patterns as well as talking about the everyday patterns that are all around us.

Challenge me at home to...

Talk about the things that I see on the way to nursery and on the way home. Can I talk about some the things that I go past? Can I remember the route that I take?
