

Literacy: CORE TEXT: Beegu. Children will develop their creative responses and learn to write in role in order to explore and develop empathy for characters.

Art: Sculpture & 3D paper play

We will introduce paper-based 3D art forms focusing on techniques like rolling paper tubes, shaping paper strips, and constructing imaginative sculptures. Children develop skills in creating 3D structures and applying painting skills in three-dimensional art, enhancing their understanding of form and construction.

Geography- We will be exploring the seaside and discussing why we like to be beside the seaside. We will look at the similarities and differences between cities, countryside and coastal areas. And we will visit Goodrington beach to explore rock pools and the sealine. We will also explore seasonal weather changes within the UK.

Year 1 - Summer

Maths: Power Maths scheme:

Children will continue looking at weight mass and capacity, then moving onto multiplication and division.

At home, to support this, it would be beneficial to secure the understanding of number bonds to, and within, 10 and to practice 10, 2, and 5 times tables. If you would like more information about how to support your child at home, please ask.

PE - we will alternate each week on a Tuesday and a Thursday.

Please can you ensure your child wears a PE kit on PE days.

Science - Plants. In science will explore different plants, including trees. We will grow some plants from seed and cuttings and also plant a potato. We will observe what we see as the plants grow and learn about the various parts of a plant.

Reading:

The children will continue to learn to read through daily RWi phonics lessons. All children will come home with a **RWi 'Book Bag' book** that is matched to the sounds they are learning in school. Please can these be read daily with the children.

Music - The children will have bi weekly music lessons with Mrs Mencarini. They will be focussing on musical vocabulary (Theme: under the sea)

Computing - We are starting to explore how to program sprites in order to create our own animations.

RE - We will continue to learn about the judaism religion and why and how jewish people celebrate Hanukkah.

PSHE/ RSHE- We will explore economic wellbeing and how we can make and save money. We will look at different jobs and our aspirations for the future.

Keep in touch through Seesaw.

Handwriting & Spelling: The Children will be having daily handwriting and spelling lessons where they will learn the correct formation for each individual letter and spelling choices. Once the children are consistently printing most letters, they will move onto pre-cursive handwriting practice.
