

Year 4 - Autumn

2

Science: We will be learning all about the digestive system and food chains.

We will find out about the function of each part of the digestive system. We will also identify the different types of teeth in humans and their functions. We will construct and interpret a variety of food chains using the vocabulary producers, predators and prey.

Art: Our art unit this half term is Drawing: - Power Prints. This unit looks at shading and relativity and contrast. We will be practicing our drawing skills, cutting skills and printing skills, using a range of different art med

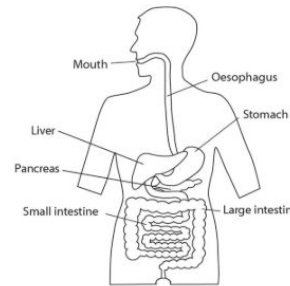

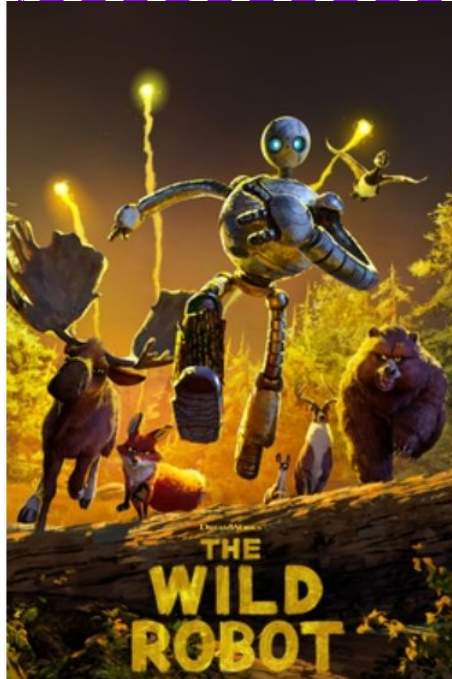

The children will be taught **French** fortnightly.

Keep in touch through Seesaw. We will be sharing our learning with you at home.

Maths - We will be using the Power Maths scheme of work to teach the children about area, addition and subtraction.

Please check [My Maths](#) weekly for online maths homework. Children should also be encouraged to play on TT Rockstars daily.

PE: Hockey & Dance. The children will need their PE kits on Mondays.

Music: Christmas performance skills.

Writing: Our first this half term is called 'Until I Met Dudley'. We are focusing on simple and compound sentence structure, as well as coordinating and subordinating conjunctions. Our final piece of writing will be an instruction guide on how the digestive system works, which will be displayed in Dr's surgeries.
Guided Reading: We will be developing our reading skills using the book 'The Butterfly Lion'. Please could you try and read every evening when possible.

RE: In RE we will be looking at how people from religious and non-religious communities celebrate key festivals?

History:

In History we will be learning about the Romans and why they invaded Britain. We will be focusing on chronology and understanding the timeline.

Our key question is 'How did the arrival of the Romans change Britain?'

PSHE: We will be looking at health and wellbeing and communicating our feelings.

Computing :

The children will examine devices capable of recording digital audio. They will then be creating their own podcasts using their new skills.

The children will be visiting the cinema to watch The Wild Robot, before we read the sequel next term. We will also be making Christingles, as part of our RE learning and Sweet Cones for our Christmas Fete.
